# Report of the Forest Fire Warden and District Chief

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

## WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush:
  - a. Always get a permit to burn from the warden.
  - b. Start your fire late in the day after 5:00 PM
  - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

## Annual Report of the Superintendent of Schools

To the Board of Education and Citizens of the Hill School District.

I herewith submit my annual report as your Superintendent of Schools.

The staff at the Jennie Blake School has not changed for the past four years. Miss Patricia LaPlante, Mrs. Grace Colby, and Mr. Kenneth Hazen are continuing as classroom teachers for our Hill children.

We can take pride in the stability and qualification of our staff. This stability enables our children to be known by their teacher and a consistent program carried out over a period of time.

In this period when there is an extreme shortage of qualified teachers the education of many children is constantly being interrupted by having different teachers each year. This requires constant adjustment on the part of the pupils to new personalities and their methods of conducting classes. Happily this is not taking place at Jennie Blake School.

Miss Marion Moynihan, our school nurse for many years, retired in June of this year. She will be missed. Mrs. Martha Gilchrist, an R. N. and graduate of St. Elizabeth Hospital has taken over these duties.

We were without a music teacher last year. This year arrangements were made to have Mr. Vincent Kondrotas who teaches music in the Franklin school system do the music at the Jennie Blake School.

We are continuing our program of Modern Mathematics started last year and this year have started a conversational French program in grades four through six. This will enable the Hill pupils going to Franklin Junior High School starting in grade seven to enter with the same background and preparation as the Franklin Public School children entering Junior High School.

Transportation of the Hill children has improved tremendously with the new bussing contract. The small additional cost is more than returned in the elimination of long waits for school to start in the morning or for the trip home after school.

The Budget for 1966-1967 of \$60,704.48 is up \$3,816.45 over this years budget. The major part of this increase is for increased costs of tuition. It is felt that the amount requested is needed for the proper operation of our school system.

I would like to express my appreciation to the Board of Education and citizens of Hill for their support in our education efforts.
